What's Up Yellowhead?

September 2019

Wow has time ever gone by quick. That's likely because I'm busy with my job, busy with my family and busy with being a councillor.

At the end of the day that is all good, my life is not boring. Mind you there are 1001 ways too get into trouble....it's been an interesting 10 months on council so far....it is important to manage our self talk, as a councillor it is good to give clear, behavioral feedback, whether it is to our employees, other councillors or rate payers.

In the past month's I have visited all the communities. All communities have a nice tidy look, that is in tribute to our staff, employees and contractors. Summer events have taken place in most of the towns through-out the summer. I have tried to participate in all locations as much as my schedule would allow.

Some have on-going projects and some have on-going issues, which as council we try to help assist and find solutions for different situations.

2020 being Manitoba's 150 birthday is fast approaching, we hope all communities are starting to plan their celebration events.

We have had some late rains to the beginning of harvest, hopefully this does not delay a safe harvest.

I look forward to the up coming month's with it's new challenges and working with council on present and future growth.

~Councillor John Derhak

From the Office of the Senior Services Coordinator:

You sure can feel now that Fall is in the air, cooler temperatures at night makes it for a better sleep, and we all know what's coming in a few weeks. Harvest has started in some areas and its going to get busy. School will be starting soon and routines will be back on track.
We went to Carberry for a casino trip and enjoyed the evening, I think everyone who went came out ahead. The food there is amazing. And we had to stop at Dairy Queen for Ice Cream.
For September we are going to the Deerborn Colony in Newdale on September 13th, with lunch in Rivers afterwards.
Then on September 24th we are heading into Brandon for a day trip. Please call Leslie at 204 759 2195 if you would like to book a spot for yourself.
If there are spots available on the bus and you are not a senior you are still able to attend these activities.
Happy Harvest and Back to School Everyone!!!!
~Leslie Toovey, Senior Services Coordinator
